Q. Sam, how would you describe your round this afternoon?

SAM BURNS: Yeah, I would say Patrick played really well, and I feel like I could have done more to kind of help him. But it was a tough match, and honestly, to end there with a half -- obviously we would have loved to get a full point, but I feel like that does give us a little momentum going into tomorrow, and tomorrow is going to be a big day for us.

Q. What is your mindset leading into tomorrow?

SAM BURNS: Yeah, I think we've got to come out and fight hard. We knew going into this, those guys have a really good team and they're all great players, and they're going out throwing punches, and we've got to do the same tomorrow.
