Q. Bryson, your captain told me this morning today was the day to be fired up after a tough Friday. What mentality did you bring for Cameron, for your captain and for your team?

BRYSON DeCHAMBEAU: For our country, it was just pedal to the metal. Cam played unbelievable today. We struck it well, we executed when we needed to and we just put the pressure on them all day. They struggled to get momentum, and when we had our opportunities, we took advantage.

Q. Cameron, there's still a lot of blue on the board. How would you describe the confidence level of your team on this Saturday?

CAMERON YOUNG: I think we played a bunch of great golf yesterday, and I'm sure today is no different. We're hearing that the boys behind us are playing really well. We've got a great team and we've got some work to do, but we've got full belief that we can do it.

Q. Bryson, how much fun is it to play with a guy that hits it about like you do? You both putt, you both chip, you do everything.

BRYSON DeCHAMBEAU: Yeah, Cam just struck it unbelievable today with his irons. It was nice having a couple of two-footers to tap in, so it was sweet.

We played really well and we putted it well. Again, just going to continue the momentum into this afternoon. Even though it was just one point, it's a small victory but it's a victory we needed to get the boys fired up.

Q. Cameron, how much fun is it playing out here with the New York crowd and Bryson, too, playing with him?

CAMERON YOUNG: Yeah, it's been awesome. I've been fortunate to have two great partners thus far, and we'd love to be giving the fans a bit more of a reason to be going nuts, but I think that's still coming.

Q. Bryson, you know what's going on behind you. How important was it to get a point on the board?

BRYSON DeCHAMBEAU: Yeah, first off, we wanted to prove to the captain that we were right for the job. Cam played unbelievable today. Hitting that wedge shot super close on 1 and getting up and keeping that pressure on him, fortunately we stuck it out and played really well coming in.

Q. Emotional two days for you, Cam. What's it been like playing in front of your crowd here?

CAMERON YOUNG: Yeah, it's been a lot of fun. This is the kind of stuff you dream of, and we've performed well over the last couple days and having gotten a few points on the board is pretty awesome.
