**Q. Scottie, hard-fought match today. Summarize the round for me.**

**SCOTTIE SCHEFFLER:** Yeah, Russ and I, we battled hard out there. The guys we played against just played great. They did a good job. They holed the key putts. Obviously disappointed with the finish, but battled pretty hard this morning, and going to go out and do it again in the afternoon.

**Q. Russell, can you just summarize your round today?**

**RUSSELL HENLEY:** Yeah, I feel like I played really steady, hit a lot of good tee shots, made some putts when it counted. I wish I would have made one or two more on 16 or 17. I thought I hit pretty good putts there. But I really just kind of rode Scottie. He's played so well today. He made everything. I kind of made one mistake on the front that kind of got us to 2-down when we probably should have been 1-down.

Overall I feel like it was a pretty good day, but they just kind of out-putted us. They made a lot of great putts. They hit a lot of good shots when it mattered. Overall, I feel like we played well, just got beat.
