Q. Scottie, if you can, just summarize your round from your perspective today.

SCOTTIE SCHEFFLER: Yeah, Bryson and I did some good stuff out there. We were into a tough matchup today. Those guys played great. They made a ton of putts and really tip of a cap to them. They played better than we did. Bryson did a great job battling all day. Did a really good job keeping us in the match, but overall just didn't do enough, and they played great.

Q. Bryson, key takeaways from your perspective?

BRYSON DeCHAMBEAU: Yeah, I think still playing good golf. Tomorrow anything can happen. I know it's quite lopsided, but it would make for a great comeback story.
