Q. Justin, overall thoughts on the match?

JUSTIN THOMAS: Yeah, I mean, we didn't get the job done we wanted to. The Ryder Cup is the only event you can have this much fun and lose. It just brings out some unbelievable golf. I'd play and go to battle with Cam any day of the week. I'm just bummed we didn't get it done.

Q. Cam, just summarize the round for me today and what will it take going into tomorrow?

CAMERON YOUNG: It's going to take something pretty unbelievable. I think the team is very capable of it. I wasn't at my best this afternoon. Just didn't see the ball go in early, and that kind of set the tone for the day.
