Q. Sam, can you summarize your round this afternoon?

SAM BURNS: Yeah, I mean, I think Pat and I hung in there. We played tough. It was a really good match down the stretch, and ultimately they made one more birdie than we did at the end, and that was it.

Q. What's it going to take tomorrow?

SAM BURNS: I mean, it's doable. Every guy has to go out and basically win a point. That's why we play tomorrow, and that's why there's 12 points available, and that's our mission.
