Q. Tell me what it means to get a point for Team USA.

XANDER SCHAUFFELE: Yeah, Coach had a pretty big message last night, really just worry about yourself and try and get your own point. We're trying. We were trying all week. I'm starting to like a lot of these USA chants coming out today.

Q. How was the energy?

XANDER SCHAUFFELE: Energy was great. It definitely helps. I think all we need to do is just give these fans a little bit of red on the board for them to cheer us on.
