Q. Just summarize your afternoon.

RUSSELL HENLEY: Yeah, I played well. Definitely felt the nerves coming down the stretch. I've never felt nerves quite like that. It was quite an experience, quite an atmosphere. Very disappointed the way I finished, leaving those putts short, but I gave it myself, and hopefully I learned from it.

Q. This is your first Ryder Cup; what are some positive takeaways from your experience?

RUSSELL HENLEY: Just the camaraderie from the team. The team is an unbelievable thing to be able to play on a team, and I feel like I've gotten closer to these guys. They've supported me through thick and thin. It's just awesome. It's a great feeling.
