## Team USA Collin Morikawa

**Quick Quotes** 

**COLLIN MORIKAWA:** I was just able to give myself a lot of looks. I didn't drop as many as I wanted. I needed to hit it a little bit closer. But got away with a few from Tyrrell. 18 holes, long match today, but it was really fun to see a lot of heart from the guys above me, to see a lot of red turn our way.

## Q. How proud are you of your team for battling back?

**COLLIN MORIKAWA:** I mean, this is everything we could ask for. Obviously not the end result for today, but from where we stood, it was a very small chance. For a second, it looked like we had a lot of momentum. But we've got some of the best players on our team, and not just some of the best golfers but some of the best people in the world. I'm just lucky to be a part of that team.
