### Quick Quotes

#### Q. How tough was that today?

WADE ORMSBY: It just got tougher and tougher as we went around. I put the umbrella down after about four holes and thought I would just deal with it, but by about the 11th hole, it was brutal. And out by the coast there, it was getting a spot of wind, ran out of towels after about 14 holes so a grind coming in.

#### Q. Mentally, physically, you're tired, but ultimately you must be pretty happy with what you've done today?

WADE ORMSBY: Exactly, a few under par today, but up the last and where I hit that tee shot, definitely leaves me with a good taste in my mouth going into tomorrow.

#### Q. Don't want to give it away, because 17, reasonable putt, as well, and 18, having dropped there, you don't want to give it away?

WADE ORMSBY: Exactly right. Probably made a pretty soft par on 16, as well, so I was kind of -- didn't want to give any back. Had a putt from a bit of water on 17 and didn't quite get the ball rolling and had a great second putt and again on 18. Definitely makes you feel good finishing like that in conditions like this.

#### Q. And your caddie, working really hard to keep you dry, keep you going, keep you going mentally?

WADE ORMSBY: Caddies earned their money today. Can't put enough towels in the bag. I think five gloves and probably three or four towels. That's what it's like in those conditions. Dry everything off and try it tomorrow.

#### Q. Toughest day you've had on the course?

WADE ORMSBY: I think, so especially when you're in the hunt for a tournament. If not, you find a way to get in and you don't care about it. But if you are in the hunt for a tournament, you want to make sure you have the best opportunity.

A Rolex Series Event

#### Q. This is where you want to be, isn't it, going into the final round?

WADE ORMSBY: Yeah, exactly. Give yourself a chance with one round to go, big event, that's what we all play for. Give it a good crack tomorrow.
