A Rolex Series Event

depending how things shake out, so I'll need a really nice round tomorrow.

#### **Q. Bogey-free again, tell us about that?**

SCOTTIE SCHEFFLER: I like bogey-free. I felt like I struck the ball really nicely today. I think the only time I really was struggling for par or I should have been was on 13. I got a bad break and hit it in the fairway and was in a big divot and just flew out of the divot funny.

Other than that I felt like I struck it really nice. Had a lot of opportunities. Ball seemed to be going around the hole and into it today but still a solid round.

#### **Q. Defies gravity sometimes, doesn't it?**

SCOTTIE SCHEFFLER: Occasionally.

#### **Q. You're new to this, but you seem to be pretty good at links golf. Tell us about how much you're enjoying this journey?**

SCOTTIE SCHEFFLER: Yeah, I like links golf. I like how you have to be a lot more creative. I felt like I haven't hit a lot of stock shots this week. It's a lot more funny would say using the mounds and stuff to get the ball close to the hole versus making it airborne all the time.

#### **Q. You're playing with someone twice your age, Pádraig. He's a good player of links golf, isn't he.**

SCOTTIE SCHEFFLER: Good one. I liked seeing how he flighted a lot of those shots today, especially the holes we played into the wind. It was definitely fun to watch today.

#### **Q. There's been some great American winners here, Rickie Fowler has won here, Phil has won here and you've got a chance tomorrow. What would it mean to you to win this event?**

SCOTTIE SCHEFFLER: It would be great. It would be nice to get my first win over here. Would definitely give me confidence going into next week. I think I'll probably be behind going into tomorrow, probably four or five shots
