Quick Quotes

Q. How are you feeling; and up-and-down day?

MATTHEW FITZPATRICK: Yeah, very. I didn't play as solid tee-to-green as I did the first two days. But just putted really well. Chipped it really solid, too.

Q. Going back to 12, that was the quite a pivotal moment, you missed the green left, chipped it up and holed a beautiful putt that seemed to get you back into the flow.

MATTHEW FITZPATRICK: Yeah, definitely. Fortunately, had plenty of room to work with. It was only 43 yards left of the flag. That one didn't quite go to plan.

But yeah, for me, the big thing is I feel like I've been pretty conservative around this golf course and just playing pretty safe, and I feel like that's been the smart thing to do and just not made the mistakes maybe that some others have. I think if I can keep doing that tomorrow and keep the putter going, then I'll be okay.
