

# Genesis Scottish Open

Friday, 8 July, 2022

North Berwick, Scotland

The Renaissance Club

## Cameron Tringale

### Quick Quotes

**Q. Bit more of a battle out there? How do you reflect on your second round?**

CAMERON TRINGALE: Well, it was definitely more difficult for me today. Yesterday, it seemed pretty easy, and today, it seemed like every hole was a grind to make par.

So anyway, happy to be done and happy to be off the course and get some rest.

**Q. How much has patience been a factor out there today?**

CAMERON TRINGALE: It's a lot, I guess. I mean, the wind is maneuvering the ball in some interesting ways and it's starting to bounce a bit more, too, ash the greens. Really just letting the game come to you, letting your round come as it goes on was key.

**Q. Give us a sense of those conditions, we can see on the broadcast it's affecting full swings, but a lot of players seem to be having trouble on the greens. IS THAT fair to say?**

CAMERON TRINGALE: I can't speak for everyone but my group struggled. Long putts, it's so tough to judge how much the wind is going to hurt, and then you get a putt that's where the wind is going sideways, and I mean, it might be a ball, two, a cup, even as close as seven, eight feet.

It's really tricky, and you know, hitting a lot of greens helps, and hopefully I'll be able to do that tomorrow.

**Q. Leading this tournament going into the weekend, how excited are you at the prospect of teeing it up over the weekend here?**

CAMERON TRINGALE: Yeah, I just want to keep going out and trying to play the best I can and hopefully get a good low one in tomorrow.

GENESIS  
SCOTTISH OPEN 

A Rolex Series Event

I mean, the course I think is still gettable, honestly, even in the wind, I just need to play the par 5s a little better, and you know, work on those into the wind shots and I should be all right.
