GENESIS
SCOTTISH OPEN 

A Rolex Series Event

Q. 3-under today, just some comments on your final round and week as a whole.

PATRICK CANTLAY: Yeah, I thought I played well. Obviously I got the worst part of the draw the first couple days, and you know, thought I played really well pretty much the whole time.

I didn't get the most out of every round, and that was probably the difference but other than that, you know, all in all, really solid week.

Q. T-3, a lot of momentum going into next week. Your thoughts about that?

PATRICK CANTLAY: Yeah, obviously looking forwards to The Open. St Andrews is one of, if not the most historic places in the sport. So my first Open there, I've played the golf course a few times, and I'm looking forward to the week and looking forward to experiencing it.
