A Rolex Series Event

Q. Good position heading into the weekend. Was there any difference between conditions yesterday afternoon and this morning?

SCOTTIE SCHEFFLER: I would say the greens were probably a bit softer, a little bit less wind and I think that's why you see so many scores out there this morning. Rain softened them up a little bit.

Q. For you when you play, and this is not entirely a links course but there's a lot of links to it. What's the key for you when you come over and play golf courses like this?

SCOTTIE SCHEFFLER: I just try and keep this place in front of me. There's some birdie opportunities but there's also some spots where you can get in trouble pretty quickly. Do my best to hit fairways and get looks and avoid the bunkers.

Q. Are you following Wimbledon at all?

SCOTTIE SCHEFFLER: Yeah, I'm going to go watch this afternoon.
