### Quick Quotes

**Q. 1-under through two holes and then you end up finishing 6-under for the day. What felt better coming down the stretch after that start?**

HAOTONG LI: Yeah, just kind of off the fairway a little bit on 2 and make a soft bogey there. Accept that, and last tee shot, whole day, most of them are pretty close to the pin. So creating a lot of birdie chances.

**Q. You look at the record the last few weeks, probably not playing the golf you wanted to. What was different today?**

HAOTONG LI: I think off the tee been really solid, even the last few weeks wasn't that great, but just putting and chipping being put together.

**Q. It's a different style of golf. Does it bring out a better side of your game?**

HAOTONG LI: Yeah, I think everyone is saying it's different, quite firm. I've been here for six years, so I have some experience.

**Q. That's a really nicely played round of golf. Obviously you feel comfortable out here.**

HAOTONG LI: Oh, yeah. This is my fifth year being here. So I know the place quite well.

**Q. You are so well travelled, from China throughout the United States, throughout Europe and now you're making your home on the DP World Tour.**

HAOTONG LI: It's been a few years here and quite used to it.

**Q. What was working for you today? Any hole that turned it around for you?**

HAOTONG LI: Yeah, my second hole was a little bit soft bogey off the fairway a little bit. I got a bad lie, and same as last hole as well, but most of the day, hit really close to
