Quick Quotes (Open Qualifying)

GENESIS  
SCOTTISH OPEN 

A Rolex Series Event

### Q. What are your emotions qualifying for The Open?

AARON RAI: Yeah, incredible. I think it still really has not sunk in. I really did not have those expectations going into today. I mean, any of the majors are incredible. The British Open is obviously very, very special. So yeah, just incredibly pleased and proud.

### Q. Was it on your mind at all today as you were playing your round?

AARON RAI: No. Not really. I was aware at the start of the week of there being three qualification spots. I was aware of it at different times during the week but I think I felt so far out of it today, or going into today; that it didn't really cross my mind, which is probably the best thing in disguise. It's great to be stood here now, and I have good feelings for next week.

### Q. The opportunity to play Royal Troon, you've played The Open before, but what does that mean to you to play in The Open there?

AARON RAI: I haven't played Royal Troon before. So I think there will be a lot of preparation and work between tomorrow and Wednesday. I remember watching a little bit of it in 2016. But I don't really have that much knowledge of it. I'm just looking forward to seeing it and playing it next week.
