Quick Quotes

Q. You told me on the first tee you were a little disappointed with half a point. How pleased with a whole point today?

GUIDO MIGLIOZZI: We played incredible well today, solid front, back nine, we were very solid. We managed very well the game, and it's easy when you have a great partner.

Q. Your first experience of team match play as a professional. How does it compare to your expectation?

VICTOR PEREZ: Yeah, I think it's great. I come from a background of team sports, and obviously golf is about as opposite as it gets. It's great to be in the team room and environment, and Francesco is our captain. Yeah, it's been fantastic, and having a great partner helps, as well.
