Quick Quotes

Q. Another captain leading by example, getting a point for your team today. How does it feel to get it done?

TOMMY FLEETWOOD: Yeah, that's one part of the day out of the way. Go support the guys now and hopefully we can get it done over the afternoon.

Q. Looked like you played pretty well in that match. Is that the case?

TOMMY FLEETWOOD: Played well all week. I was a bit disappointed with some things today. Felt like it got a bit scrappy in the middle. I made some mistakes but it's match play, so all you've got to do is beat your opponent. I'll just be happy with that and then move on.

Q. How specifically can you help the teammates now?

TOMMY FLEETWOOD: Got me and Shane to go and rally the troops and just support them. It's down to them at the end of the day and how they play but we'll be giving it everything for them. Like I say, support the team and see how we do over the afternoon but looking forward to going out there and supporting. There's nothing like being with your teammates on an afternoon like this. So go and help them out.
