### Quick Quotes

**Q. Nicolai, a wonderful win today, 3 1/2 points, how have you enjoyed this team format? Have you made some new friends?**

NICOLAI HØJGAARD: It's been a special week for sure. Yeah, today was a good match. We were a few under par and back and forth all the time, and Seamus played great; he wasn't chasing me all the time, and I obviously had to grind it out after a slow start. Caught some fire in the middle of the round, got it back and then was a bit of a fight on the last few holes and turned into my favour.
