TEAM CUP

Q. Well-played, nice early point on the board. Bunch of birdies around the turn. How do you feel you played today?

TOMMY FLEETWOOD: We played great as a team. I think we dovetailed perfectly. It was just nice. It was a really nice start of the game, and it's the kind of match that if you're not going to be playing great and running away, which you want to do, to be in a match like that was a lot of fun, really. Just happy to get a point on the board for the team and I love being out there with Aaron. He did great.

Q. Playing with rock star like Tommy Fleetwood, what's that like, first week out?

AARON RAI: It's awesome. I was extremely happy when Rosey announced the pairings yesterday. Tommy played amazing today. I didn't have to do a huge amount. It was great to go out and watch and maybe chip-in a couple here and there. Dream partner. Very happy.
