TEAM CUP

Q. Teamwork, what a finish that was, three birdies to finish, quite sensational. How was that for you today?

TOM MCKIBBIN: Yeah, it was an amazing finish. We both sort of struggled out there a little bit but we really dug in there and gave it all we had through our last hole.

Q. You played some great golf, and as you say, you probably struggled a little bit, but once you found the momentum, I thought it was some fabulous golf. Matt, what would you take out of this week? Playing team golf, it is so different to being out week-after-week on your own.

MATTHEW JORDAN: Yeah, what would I take out of it? I take out of it, again, playing with guys and knowing what it feels like to have that support and playing for someone else, and also with the guys being around and the touches being made around the team rooms, and having that experience, as well. I'm glad that I can carry on playing okay, win a few matches and just try and win for the team.
