Press Conference

Q. It was a little hot out there today. I don't know if you've ever played in these type of conditions before, but you got off the golf course quickly. Do you think that was an advantage?

JUSTICE BOSIO: Yeah, it was pretty hot, and I haven't played in this hot of conditions, but I have been here since June, so I think my body is getting a little bit more used to it, if that can happen. But yeah, definitely getting off the golf course a bit quicker today was a bit of an advantage coming into tomorrow, getting a little bit more rest.

Q. And it's only going to apparently get hotter.

JUSTICE BOSIO: Yeah, I just looked at the scoreboard and I said to Steph, my caddie, people still haven't even teed off yet. They'll be struggling a little bit out there in the heat.

Q. Who's your caddie?

JUSTICE BOSIO: Stephanie Na.

Q. Former player?

JUSTICE BOSIO: Yeah.

Q. She played in the Women's Am, right, in Eugene?

JUSTICE BOSIO: Yeah, she's my caddie. Good memory.

Q. You didn't make a lot of birdies out there but it seemed like your opponent let you win a few holes.

JUSTICE BOSIO: Yeah, I didn't make too many birdies, but I played steady. I had a couple of bogeys but also had a couple of birdies. Yeah, pretty steady golf.

Q. You're here for the whole summer?

JUSTICE BOSIO: I am. I leave August 15th after U.S. women's.

Q. So you're in the Women's Am, too?

JUSTICE BOSIO: Mm-hmm.

Q. Golf Australia usually does that thing in Houston; are you here for that?

JUSTICE BOSIO: I don't think they're doing that this time.

Q. Are you over here as part of a team?

JUSTICE BOSIO: There was five of us that came over. We're not so much a part of a team because it was like you could play your own tournaments, but most of us ended up at the same tournaments anyway.

Q. Do you do anything special to prepare when it's this hot?

JUSTICE BOSIO: I drank quite a lot of water. Just making sure you get your electrolytes in, good stretching, good rest, good recovery, and then you'll be ready for the next round.

Q. Is Stephanie playing professionally still?

JUSTICE BOSIO: On the Epson a little bit, yeah.

Q. Have you known her for a while?

JUSTICE BOSIO: Yeah, well, she works a little bit for Golf Oz.
