Q. Obviously a great day; you played a pretty quick match this morning --

JUSTICE BOSIO: Yeah, the match this morning was good.

Q. You're into the quarterfinals. Have you exceeded your expectations?

JUSTICE BOSIO: I don't really think I had any expectations coming into it. No, just whatever happens happens, however far I get, I get, and I'll be happy with.

Q. Did you feel like coming into the week that you had some game and could make a deep run?

JUSTICE BOSIO: I think in pretty good form lately. I've been playing pretty good. I just came out of the North and South obviously, lost in the quarters, so hopefully tomorrow I can go a bit deeper than the quarters.

Q. How was today managing the heat, or the two rounds versus one?

JUSTICE BOSIO: I think today was less hot than the second day of stroke play. That was pretty hot for me. Still pretty hot out but not as bad.

Q. Was there a key moment in the match today? Seemed like it was pretty close and then on the back nine you kind of pulled away.

JUSTICE BOSIO: I don't know if there was a key moment. I think I just kept momentum going, just made pars, solid pars.

Q. How do you prepare for tomorrow? You've got potentially another double-round day.

JUSTICE BOSIO: Yeah, again, just go home, rest, lots of water.
