Quick Quotes

Q. Talk me through your round today; what was working for you and how did the course play?

ANNIKA SORENSTAM: Yeah, the course is playing great. I really like the setup. I thought it was good. It's a true test of golf. I'm just very disappointed in my round. I just didn't drive it well enough and didn't make anything. I'm just going to try and have some lunch, practice, and just kind of move on. I've come in here prepared, it just didn't turn out today. Really couldn't get any momentum going.

Q. What changes will you make going into your round tomorrow?

ANNIKA SORENSTAM: I'm going to hit some balls. I've got to start hitting the fairways and maybe some putts will drop.
