Quick Quotes

Q. Tammie, a little tougher out there today, but you're in the mix heading into the weekend. That has to feel good.

TAMMIE GREEN: That does feel good. I hit a lot of great shots today. I just didn't -- the putter wasn't as good as it was yesterday, but certainly I'm striking the ball well. I'm driving the ball well. I don't see why I can't move right up the leaderboard tomorrow.

Q. Knowing you'll probably have a later tee time, too, what will be the game plan between now and then?

TAMMIE GREEN: Well, just get off my feet. I'm going to putt some and then get off my feet, have a good dinner and rest my legs a little bit and come out tomorrow.

I'm striking the ball well, so keep the same game plan. I'm working really well with Kurt, my caddie, and we were just off a little bit today, and it made all the difference in the world. I hit the ball well enough, just didn't score.

Q. What do you take from the course after the last two days and what do you expect from it the next two days?

TAMMIE GREEN: Well, I was kind of surprised, I played really early in the morning and I felt the greens were a lot faster. Some of them felt sticky today just from the humidity. I guess I just missed the speed just a touch, but still they're fast when you get above the hole, and they're very slow going uphill.

I feel like the game is there. It's there for the taking. I just have to get out of my own way and let it happen.
