### Quick Quotes

**Q. Came up just short, but you guys have a lot to be proud of this week. It was really fun watching you play. You had 16 birdies yesterday, you opened today with a crazy good semifinal match, victory. Hit a lot of good shots, a near ace I saw, a hole-out from the bunker. Talk about some of the highlights and just the experience this week.**

KAITLYN SCHROEDER: I don't think there's one highlight that stands out, just the amount of clutch putts to win holes, to halve holes, to win matches. I think it all just fits together as a great week and an experience that we will never forget.

BAILEY SHOEMAKER: Yeah, I totally agree with her. It definitely stings a little bit coming up short, but it was to one of our good friends, and we definitely had a lot of birdies out there and that leads to a lot of confidence for us. We know we definitely had the most birdies out there than any other team, so we can say that for ourselves this week.

**Q. How much do you guys enjoy playing together and playing in four-ball?**

BAILEY SHOEMAKER: I love it. Kaitlyn has been my partner for four-ball a couple times now, and it's just always awesome. We have a blast out there, and I think we gelled really well together, and our games match each other.

KAITLYN SCHROEDER: Yeah, I agree with everything. It's always nice to have a partner that you know that's really good at golf to lean on who can make a lot of good putts at the end.

**Q. When you play back-to-back rounds two days, how tough is this championship, making it all the way?**

BAILEY SHOEMAKER: There's never a doubt of confidence, me with Kaitlyn. I know if I put myself out of

position she's always going to be there to back me up and vice versa. I know we're always there to lean on each other, and hopefully we get two looks all the same. That's what we kept saying throughout the week.

KAITLYN SCHROEDER: Yeah, I completely agree. Every time I was out of position, you were always there to make a 10-footer to back me up.

**Q. What's next for you guys this summer?**

KAITLYN SCHROEDER: U.S. Open qualifier, hopefully the U.S. Open. We'll both be at U.S. Girls.

**Q. Playing against each other, though?**

KAITLYN SCHROEDER: Hopefully in the finals. Hopefully we'll have the same presentation in July.

**Q. Which Women's Open qualifier? Are you in the Florida one?**

BAILEY SHOEMAKER: I'm in the Florida one, it's Stewart or Fort Lauderdale.

KAITLYN SCHROEDER: I'm in Atlanta.
