**Q. Here with Kylie Chong. 5-under par 67 today. Kylie, obviously a bit of a long day. Do you want to just talk about what was going into your mind just before the weather delay?**

KYLIE CHONG: So coming into the round I did feel a little bit of pressure. I shot 3-over yesterday, and I knew the cut was going to be around that number. I saw a lot of the morning girls were playing pretty well, so I felt a little bit of pressure.

But I just acknowledged that that's a distraction and I also just told myself that I do really well under pressure.

So, yeah, I just tried to let to happen and like stay patient and make the best shot I can possibly make. Yeah, that was what I was doing before the delay.

**Q. You definitely performed well under pressure today. What was going into your mind just during the weather delay?**

KYLIE CHONG: During the weather delay I was trying not to look at the leaderboard. I didn't have my phone during that whole shelter in place, and then I had my phone by my side when we went into the clubhouse but I was just in the coloring table just like trying to occupy myself.

So I didn't look at the leaderboard at all, and so just to like keep myself present, and, yeah, it's all distractions anyway, so I was just going to keep trying my best.

**Q. Heading into match play you have Beth Wu on the bag. Are you just super excited for the rest of the week?**

KYLIE CHONG: Uh-huh, yeah, this is my first U.S. Am and so I'm really happy that I made the cut. I'm in a good spot right now and I love match play, and having Beth by my side, it kind of feels like Nationals again.
