Quick Quotes

Q. Just start off by talking about the round. Obviously had a really good start to the round today and went I think it was like six or seven. Just talk about the start and how that felt throughout the round.

LINDSAY MCGRATH: Yeah, I think I was just super calm on the first hole and got the birdie, so I think that really started my momentum.

I also birdied two so that was super helpful.

And then just you kept steady and present in the moment for the rest of the round and I think I was just in control and that really helped me get through it.

Q. Having such a great match the first kind of match play, just talk about how that takes you into the next round and beyond.

LINDSAY MCGRATH: I think I just know where my game is at. I think it's in a good spot and I'm excited to see where it takes me. I'm just going to stay in the present moment and keep going.

Q. Plan for the rest of the day or tomorrow?

LINDSAY MCGRATH: Sleep. Get as much rest as I can, yeah.
