## Charles Osborne

### Quick Quotes

#### Q. Did you dream of being here when you started the week?

CHARLES OSBORNE: No. Kind of like at the beginning of the week if you said I was going to the semis I probably wouldn't believe you. I'm really happy to be here and really excited, too. I've got a lot of support from family back home, so it's a lot of fun to be in this position.

#### Q. How do you think you played today in general to get the win?

CHARLES OSBORNE: How did I play?

#### Q. Yeah, how was your game today?

CHARLES OSBORNE: On the front nine I felt awesome. I got it to 4-up. Back nine I had some hiccups all in a row that happened, and then I actually -- it was really nice to close it out and get those wins on 15 and 16. It was really exciting, so it was a lot of fun.

#### Q. How do you keep yourself from this driving you crazy overnight as you're thinking about tomorrow?

CHARLES OSBORNE: It's hard. You kind of just think about the possibilities and stuff, but just kind of stick to my game. I know I've got what it takes, just kind of have to do my thing, just let myself do it and stay out of my own way.

#### Q. We were saying on 18 how you had this big lead that you had amassed over Cameron Sisk. Is this the type of golf course where -- normally you get a lead, you really want to step down on the pedal and put the opponent away, but on a course like this does that get you into trouble if you try and take that approach?

CHARLES OSBORNE: Sometimes. You kind of have to hit the right shots. Honestly par is a great score out here. I've actually struggled on 11 the last couple days, but kind of turning that back nine if you can just rattle off three pars

in a row, then get to 13, I think that kind of puts you in a good spot. But it's hard. You try to press, but it's hard to make birdies when the wind gets going.

#### Q. How is dad holding up?

CHARLES OSBORNE: Good. I think he's all good. I think his legs are doing all right. I think he's going to hang in there for a little bit more.
