## Preston Stout

### Quick Quotes

**Q. Big 4 and 3 win today, dominant from start to finish pretty much. Talk about what you were doing well today.**

PRESTON STOUT: I just wedged it really good, and my mid and short irons were just really good today. My distance control was good. Didn't hit as many fairways as I did the last two days, but I was able to kind of hack it around out of the rough.

When I had an opportunity in the fairway, I was able to capitalize.

**Q. You've been on the range for the last 30, 45 minutes after your round. What's that about?**

PRESTON STOUT: Yeah, the rough's just really brutal out here and it's kind of hard to predict, so just trying to kind of get that more dialed in and be a little better at predicting the lies in the rough out here.

**Q. Going into tomorrow, you're up early, could be a long day, longest day, unless you're in the championship, 36 holes. What's your game plan/mindset going into that?**

PRESTON STOUT: Yeah, just trying to take care of my first match and then go on from there. Yeah, just trying to stay focused in the morning and not get ahead of myself.
