## Jimmy Abdo

### Quick Quotes

**Q. The Cinderella story has officially come to an end, but talk to me through the round and how you played.**

JIMMY ABDO: Obviously not my best, but pretty thankful to be here. It was just such a fun experience.

Jackson played really good golf too. He made some putts that it was just kind of hard to come back from that. I kind of hope he keeps going, keeps rolling, but yeah, still kind of tough.

**Q. What was the crowd like today? Just so much support for you. Talk me through how you feel about that.**

JIMMY ABDO: It was pretty cool to see some people from my home club to fly out just for today's round. Pretty thankful they were out here too. I kind of wish I could have played a little better when they were here.

**Q. Kind of what's next for you?**

JIMMY ABDO: I'll find out. I'm not a hundred percent sure. I'm not really sure where I'll end up in a couple weeks. Hopefully something good comes out of this. I feel like I put my name out there and played some really golf for everyone to see. Hopefully my name gets recognized.
