Quick Quotes

Q. Just a little short today. What happened?

ERIC LEE: Can't lie. Probably got a little too tired. Body wasn't feeling too great. Wasn't able to hit the shots that I normally do.

Mason played great too. He was just keeping it pretty tough for me today.

Q. Did the weather play any effect today with all the fog? It was pretty cold.

ERIC LEE: I think it was the same for everyone. Can't really use that as an excuse.

Q. You've had a crazy summer with state championships, now to this. What are you going to do to rest and reset before your junior season?

ERIC LEE: I don't really have too much time to rest. Our first tournament of the fall is at the end of August, so I've got to get back to school and work hard until then.
