

U.S. Open Championship 2021

Thursday, June 17, 2021

San Diego, California, USA

Torrey Pines Golf Course

Wade Ormsby

Quick Quotes

Q. Just your overall thoughts on your round of golf today?

WADE ORMSBY: Bit of a slow start but made a couple birdies quickly I think on 13 and 14 to get me back going in the right direction. But played pretty good. A little bit disappointed, probably could have squeezed a couple more out of it at the end, but overall it's nice to be going the right direction.

Q. Talk about the conditions of the course; what did you see out there today?

WADE ORMSBY: Yeah, the course was good. They had a couple of -- the pins weren't too difficult, and the greens are nowhere near as firm as they could be. It could definitely play a lot tougher, but the wind was from the south today which was a different wind than what we've kind of had in practice, so it was a little bit different from that point of view, but overall the course played great.

Q. What are you looking forward to tomorrow?

WADE ORMSBY: Trying to get a few shots better. No, it'll be nice in the morning. Greens will be fresh and better, wind back to where we're used to it being, and yeah, just try and get going in the right direction.
