### Quick Quotes

**Q. You were down to 5-under, still finished under par. Can you talk a little bit about your round?**

SUNGJAE IM: Overall I played really well. I played 5-under but ended up at 2-under. I made a couple of putting mistakes. Basically I planned to shoot under par, so I made the goal.

**Q. The greens at Oakmont are famous, or infamous, I guess you would say, for that. Give me your overall opinion on the greens today and what is definitely in the future.**

SUNGJAE IM: Most of the greens are very fast and tough. It's undulating, kind of a tricky break as well. It's really hard to check the distance as well. Try to focus on making the distance well.

**Q. The rough, everybody talks about the rough. If you stay focused and you stay in, if you're a player here, can you beat that rough when you hit it in there two or three times? Is it something you can get the ball and really advance it?**

SUNGJAE IM: Most of the times in the rough it's very hard, so I need to layup. I tried to hit the ball out. That was my main goal. Today it was lucky that I hit many fairways. So that's what helped.
