## Jon Rahm

### Quick Quotes

#### Q. Can you take us through the round today.

JON RAHM: I didn't make a putt, that was the main difference. I didn't play bad. I played quite good golf. Didn't see anything go in beside a 7-footer on 7. That's it. That's a very hard thing to deal with to try to shoot a score out here.

#### Q. Can you put the score in perspective though given how tough this course is?

JON RAHM: Honestly, I'm too annoyed and too mad right now to think about any perspective. Very frustrated. Very few rounds of golf I played in my life where I think I hit good putts and they didn't sniff the hole, so it's frustrating.
