

U.S. Open Championship 2025

Friday, June 13, 2025

Oakmont, Pennsylvania, USA

Oakmont Country Club

Jason Day

Quick Quotes

Q. 3-under today, really good round. What did you see out there, what was working for you?

JASON DAY: Putted a lot better today. Obviously I hit it nice on the front side, which was the back side. I got into a little bit of trouble kind of midway round. Just didn't, just started missing a few greens. Then kind of settled it a little bit with a birdie on 6 and 7 for me. So that was, it was a big day to come back and shoot 3-under to make the cut.

Q. Eagle on 12. Walk me through that hole.

JASON DAY: Yeah, just driver and then a 3-wood just to about 20 feet. I think it was over 300 yards to the pin, but slight down slope on the second shot, it was going to be tough to try and clear the front part, that's just about 30, 40 yards short and left, so played a little bit right, hit a nice shot in there and then obviously rolled in a good putt there too.

Q. Yesterday when you finished your round we saw you hit some practice putts on the 9 green over here. Did you find anything that you brought into today?

JASON DAY: No, I bent my putter. Yeah, no, I just manually bent it myself. Stood on it. That's kind of how I used to do it back in the day. It just hadn't been looking very good to me personally, kind of looks a little bit hooded, the grip's on a little bit closed too, so that's not a positive for me. But I bent it enough to make it look more open, which is good.

Q. Looking to bring anything specific into tomorrow's round?

JASON DAY: Not really. Obviously you're going to make -- I feel like you're going to make bogeys out here and try and get the birdies when you can. 3-over right now, if I can just keep climbing the leaderboard, get into contention on Sunday that would be great.
