GB&I Quick Quotes

Q. You won your morning match. You won your afternoon match again. What's working so well for you out here at Cypress?

CONNOR GRAHAM: Just kind of putting it in the right spots on the fairways and on the greens is crucial around here, and just making a few putts here and there as well.

Q. Obviously you had the break in the afternoon. What was the message from your captain and how did he motivate you guys to get it going again this afternoon?

CONNOR GRAHAM: Well, yeah, we obviously got off to a good start this morning, played really good. But his message was now it's back to 0-0 and just go out there and try and win a point.

Q. Obviously you've got a night to rest; how do you prepare to do it all over again?

CONNOR GRAHAM: Just kind of what we've been doing, try and rest up tonight and get ready for tomorrow and get a good warmup and get ready.

Q. Obviously you guys have been here for a long time. You got here last week, you've had a really long buildup. What did it feel like to finally play some golf today?

CONNOR GRAHAM: It felt great. The last few days it's been nice, but to get here with the crowds here, there's a lot more pressure, and it's been good fun today.
