## Grace Carter

### Quick Quotes

**Q. Grace, a ton of great golf this week. You were the stroke play medalist. You've dominated all your matches. What was your mindset going into this afternoon's match?**

GRACE CARTER: Just the same game plan I've had all week. Like I've said, fairways and greens. I keep saying that. Yeah, it just wasn't meant to be.

**Q. You still had a lot of really great shots out there this afternoon. That chip on No. 16, how did that feel?**

GRACE CARTER: It was probably one of the best shots of the day I'd say. Yeah, just kind of a hard shot and I managed to pull it off.

**Q. I know it was your uncle on the bag with you this week. What was your relationship like with him? You obviously had a lot of success. What conversations did you have throughout the week?**

GRACE CARTER: Just a bunch of stuff. We're pretty close. He lives like five minutes away from me, so it was just a lot of fun to have him on the bag.

**Q. You came into this event with two really dominant wins on the AJGA. How else did you prepare for this event?**

GRACE CARTER: Just a lot of practice, a lot of putting. Definitely a lot of putting because I knew the greens were going to be hard no matter where I played.

**Q. What were some of your emotions throughout the week? You had a lot of great matches. How did you keep yourself calm?**

GRACE CARTER: I'd probably say I'm never calm. I might appear like that sometimes, but I'm never really too calm. Yeah, just telling myself to be patient and just -- yeah, being patient.

**Q. What were some of your highlights? It could be the golf, like maybe a certain golf shot, or if you had fun with people?**

GRACE CARTER: Well, yesterday I had two hole-outs with my 9-iron. I'm liking my 9-iron right now, so that's probably my favorite thing of the week.

**Q. What was your overall thought of the championship this week, playing in U.S. Girls', that's such a big honor. Did you have a lot of fun? What was that like?**

GRACE CARTER: Yeah. I had a lot of fun. It's a great experience to be here and to play with all these great players. It's just such a great honor. Yeah, just happy to be here, and maybe next year it'll happen.

**Q. You're so young, and you still have a lot to learn. What were some of your takeaways from this week that you're going to bring into your next events and your future golf?**

GRACE CARTER: That I can compete with the best players probably. I can compete with the best players.

**Q. What's next for you on your golf schedule? What big events do you have coming up?**

GRACE CARTER: Well, I have an AJGA in Ohio next week, so I go there next. Then the PGA Junior in Indiana. Then I've got just a bunch of AJGAs after that.
