Quick Quotes

Q. Obviously a lot to be proud of this week, not the result you might have hoped for, but can you just talk to me, reflect on the week, and why you're proud of yourself.

AMELIE ZALSMAN: Definitely just mental and physical strength. I've played so much golf the past two weeks. I'm just really proud of myself for making it this far and my body, honestly, just sticking with me.

Q. Looking forward to the Women's Am in a couple weeks. Can you just tell me, again, what this week taught you about yourself and if you've gained some confidence going into that?

AMELIE ZALSMAN: Yeah, just definitely how to handle match play. I feel like in the past I haven't been the strongest match play player, but I feel like this week definitely taught me some really valuable lessons.
