### Quick Quotes

**Q. Kind of a marathon day with a couple rounds in the heat. How are you feeling right now?**

BILLY DAVIS: Legs are pretty tired for sure, but honestly, it didn't really feel that bad, but I was so focused on the match and everything that I wasn't really thinking about it.

**Q. You're a quarterfinalist in your first U.S. Junior Amateur. How does that feel?**

BILLY DAVIS: It feels good, obviously. It's been fun so far. I've been playing good. Just hope to continue it.

**Q. Start with the afternoon match; you were down on the front just one and were able to get back. Talk me through some of the holes you won around the turn, 9 and 11.**

BILLY DAVIS: 9, I made a pretty good putt from 10 feet for birdie. 11, I made a slider like six feet, and then 16 I actually chipped in from the right side of the green.

**Q. How far would you say the chip was?**

BILLY DAVIS: It was like a 20-yard pitch.

**Q. What about this course has fit your eye and given you the opportunity to play so well here?**

BILLY DAVIS: I mean, the fairways are pretty wide. If you just pay attention, you really should pretty much hit them a good percentage of the time. Greens, the same thing. If you just put yourself in the right spots on the greens, it's pretty gettable.

**Q. Were you nervous at all out there, kind of getting later in the stage of this championship, or are you just confident swinging out there?**

BILLY DAVIS: Well, I felt more confident than anything knowing that I probably had more experience, being tired. I just kind of used that to my advantage to help me get the

win.

**Q. What's the mindset going into tomorrow?**

BILLY DAVIS: Obviously like the competition is a little bit better tomorrow, and I'm just going to have to play good to win a match like I have all week.
