Quick Quotes

Q. All right, dominant win this morning. What was the key to ending it so early this morning in the match?

TYLER MAWHINNEY: Just hitting fairways. Rough is still long, and, you know, kind of got it going early there and just kept going throughout the rest of the front nine and the back nine.

Q. National junior team rematch tomorrow. Matching up with Sohan, one of the co-medalists here. What do you remember from last year's match and how excited are you for that one tomorrow morning?

TYLER MAWHINNEY: I remember he beat me 1-up. That's about all I remember. Looking forward to tomorrow and hopefully I can get him back this year.
