Quick Quotes

Q. Miles, not the result you would've hoped for, but can you just talk to me about the match today and the battle?

MILES RUSSELL: Yeah. It was a good match there the first 18, and kind of got my teeth kicked in there early and just kind of came back out swinging.

Kind of gave it my all there towards the end, and second 18 just really couldn't get anything going. Was thinking that I was going to be able to hit my driver a little better than I did in the morning and that just wasn't the case. Just didn't give myself that many chances.

Played a lot of good golf get here, so...

Q. I mean, you won plenty of matches, medalist; what are you going to take from this week?

MILES RUSSELL: Yeah, you know, I mean, I think we figured some stuff out with my yardages and distance control. At least during the week; didn't quite show that today.

But it was great and putted it well.
