### Quick Quotes

**Q. Great job this week; can you walk me through your final round today?**

JULI INKSTER: I played good today. I made a couple boo-boos. Just sloppy sometimes. But I'm really happy with the way I played. I'm really happy with my finish. It wasn't easy out there, but I hung in there, made some good putts, and I felt good.

**Q. What's it like having your grandkids here to support you?**

JULI INKSTER: Oh, it's great. They have no idea. But it's great. Everybody says being a grandparent is the best, but it is actually the best.

**Q. You've been with the USGA for a long time. You've played in many different championships. What's it like to play in different stages of the USGA in different championships?**

JULI INKSTER: It's awesome. I just love playing in the USGA Senior. We don't get a lot of tournaments to play in, and the competition is getting better and better because I'm getting older and older. But I'm really happy to be here.

**Q. What would you say to the next generation who will be competing in these USGA championships?**

JULI INKSTER: Yeah, practice up. Have fun. Enjoy it.
