**Q. Becky Morgan, 3-under 69 today; 4-under overall. What's been the strongest part of your game the first two days at Barton Hills?**

BECKY MORGAN: God, I just been pretty consistent. I haven't made too many mistakes, and today I actually made a few putts. I actually probably struck the ball better yesterday but just had a few drop today.

Hit some really good shots on the par-3s. Just -- I think I made three 2s today, which is great round here because the par-3s are pretty tough.

I actually need to work on my driver a little bit. It wasn't as good as yesterday. All in all, just very consistent and just really good pace on the greens.

**Q. How did the conditions fare today in the afternoon compared to yesterday morning?**

BECKY MORGAN: It was a little swirly I thought early doors. Was like condition-wise nice. It was just like every now and again the wind would switch a bit so there was a few clubs we were between. Took us a while to figure it out. And then obviously the last five holes the light just totally went. It was quite weird.

But actually I think, yeah, yesterday morning in way was he easier, but I obviously scored better today, so who knows.

**Q. T2 heading into the weekend. Defending champion trying to be the first defending champion to go back and back. How does it feel being in contention going into the last 36 here?**

BECKY MORGAN: Yeah, obviously awesome. That's where I obviously would like to be, you know, try and do well this year after last year. In a funny way I think because I won last year I don't feel as much pressure. Obviously would love to be the person that does it, defend the title, but, I mean, obviously it will be more pressure on the weekend, but really looking forward to the challenge.
