Quick Quotes

Q. Being here in Colorado, being from Denver, how much does this tournament mean to you?

BRANDT JOBE: The Senior Open obviously being big, but being in Colorado, bigger for me. An important event you want to play well in.

Q. How does it feel with all your family being able to come?

BRANDT JOBE: I said there's not going to be too many more times of doing this. Nice to see that we had a bunch, a few others left. Good to see them come up.

Q. How are you looking for the rest of the tournament?

BRANDT JOBE: I got a little work to do. I didn't hit the ball very well and I found myself 40, 50 feet all day. When you do that out here, you're not going to play well.

I three-putted I think three or four times, and I didn't hit my irons very well. I've got a little work to do.

Q. Weather looks pretty good considering it's Colorado.

BRANDT JOBE: It's awesome. Can't beat this. Can't complain about the weather although I'd like to.
