Colorado Springs, Colorado, USA

The Broadmoor (East Course)

Steven Alker

Quick Quotes

Q. Tell me overall how did you feel today for the overall tournament?

STEVEN ALKER: Today, yeah, I just struggled on the greens basically. That was about it. I gave myself a lot of chances. Didn't really get any momentum in the round.

The week as a whole, it would have been just nice to putt better because I felt like tee to green I was right up there. I can't be disappointed being in the top 10.

Q. How do you like the Broadmoor and this course and Colorado Springs?

STEVEN ALKER: I love the area. We've had a blast since we've been here. The golf course itself, it's just tricky. The greens, probably the toughest green complexes I've ever putted, to be honest.

Yeah, it's been fun to play, but just at the same time, it's played with the mind. It's been a tough week mentally.

Q. Where are you headed next?

STEVEN ALKER: I get a few weeks off. Senior British will be my next one. Looking forward to that. Get over there and get some practice and go from there.
