## Charlie Wi

### Quick Quotes

**Q. Charlie, with the double bogey on hole 2 and kind of the tougher start today, how did you fight through that adversity and build toward a strong finish?**

CHARLIE WI: Yeah, I told myself to be patient. I pushed my drive on No. 2, and I didn't know the rough was that thick. So I literally moved it about 15 yards. It happens at the U.S. Open.

I know that you just have to be patient and try to plug away. Yeah, I hung in there, and I'm pretty happy about that.

**Q. Now that you're through 36 holes, how do you feel about the course? What have you learned that you're going to take in with you this weekend?**

CHARLIE WI: It depends if it rains. The conditions are getting firmer, so if they keep the greens firm -- and there's a lot of undulation on the greens, so you've got to make sure you miss on the correct side so you can get it up-and-down and have an easy two-putt.

But if you miss it on the wrong side, you're going to have a tough time getting it up-and-down.
