Quick Quotes

Q. You're only three behind right now. How do you feel about where you're standing heading into tomorrow?

MIGUEL ANGEL JIMÉNEZ: I'm still feeling good. Three shots is not bad. I'm playing well, but I bogeyed 16 and bogeyed 18. But I played very solid all the way around. I feel good. Then come tomorrow we'll see what happens.

Q. You seemed to be in a groove out there. Can you take us through your mindset on the last three holes?

MIGUEL ANGEL JIMÉNEZ: The last three holes I hit not a bad shot. Second shot, a long club on the 16th, but then I had a very fast putt that I hit a little bit too hard, and then I missed the putt on the way back, a putt of three meters. The first putt was long. It was like nine meters, and I hit it a little bit too hard. From three meters I didn't make it.

Then the 17th, beautiful shot there, nice putt.

Then on the 18th, I tried to hit a solid -- it caught the bunkers on the left and I pulled it a little bit and I missed it completely and had nothing there. Tried to put it into the fairway, was still in the rough, and I managed to put the ball on the green, and then two putts. Those were the two bogeys of the day.
