Quick Quotes

Q. Great round today, way to finish with that birdie. Just off the top, top 15 here, no qualifying next year for this event.

JAMIE DONALDSON: That's nice.

Q. Talk about your week, this round today and then how you feel about the week.

JAMIE DONALDSON: Yeah, I love the golf course. It's really fair but testing. Very difficult. I found it quite hard all week. You have to really concentrate to make sure that you keep the ball in the short grass. If you're in the rough here, it's so penalizing. So it's pressure on every shot, pressure on every tee shot, pressure on every shot into the green. The greens were getting firmer today, a bit tougher.

But yeah, I played pretty good all week. I wasn't 100 percent on it, but happy with the finish.

Q. You were really consistent, birdies and minimal bogeys.

JAMIE DONALDSON: Yeah, really consistent. A couple of days there I made some unbelievable up-and-downs. I was missing greens, missing fairways, guessing greens, getting up-and-down a lot, holing really important sort of fix-footers. Putted fantastic. That's one of the better putting tournaments for a long time, where it's all sort of inside eight feet. I barely missed any, which helps big time. It's great. I really enjoyed putting on these perfect greens. I mean, perfect. Yeah, it's been good fun.
